## Preamble

Academic Bank of Credits, is a National-Level facility to promote flexibility of curriculum framework and interdisciplinary or multidisciplinary academic mobility of students across Higher Education Institutions in the country with appropriate credit transfer mechanism and will facilitate students to choose their own learning path to attain a Degree or Diploma or Post Graduate Diploma or Academic Qualification, working on the principle of multiple entry-multiple exit as well as any-time, any-where, and any-level learning.

Academic Bank of Credits(ABC) will enable the integration of multiple disciplines of higher learning, leading to the desired learning outcomes including enhanced creativity, innovation, higher order thinking and critical analysis. ABC will also provide significant autonomy to students by providing extensive choice of courses for a programme of study, flexibility in curriculum, novel and engaging course options across a number of higher education disciplines or institutions. ABC is established with the following objectives.

- i. To promote student centricity with learner-friendly approaches in higher education across the country and promote a more inter-disciplinary approach in higher education.
- ii. To enable students to select the best courses or combination of courses to suit their aptitude and quest for knowledge.
- iii. To permit students to choose a pace for their studies along with the associated logistics and costs.
- iv. To allow students to tailor their degrees or make specific modifications or specializations rather than undergoing the rigid, regularly prescribed degree or courses of a single university or autonomous college.
- v. To enable multiple entry-multiple exit facilities for students to complete their degrees as per their time preferences, providing mobility across various disciplines and HEIs for Degree or Diploma or Post Graduate Diploma or Certificate programme or Course work for the Ph.D. programme.
- vi. To support, procedurally, the teaching-learning activities to happen in a distributed and blended manner through integration across campuses or universities or autonomous colleges with increased mobility.
- vii. To facilitate lifelong learning amongst all, i.e., formal and informal students from both full-time and part-time modes.

- viii. To satisfy the students' quest for knowledge, freedom to choose and change their academic directions, connect different domains of knowledge and help them acquire the right foundations and building blocks to pursue their life goals.

Karnatak University, Dharwad, a premier State University NAAC accredited with 'A' grade in all the 03 cycles is striving hard to make education, student and society centric by incorporating all the contemporary educational practices. Hence, Karnatak University intends to register for Academic Bank of Credits to facilitate the students for credit transfer while moving from one Higher Educational Institution to the other in the world during learning process.
